Our **objective** is to be able to: Dive # \_\_\_\_\_ Performance Req. # \_\_\_\_\_

I will **conduct** this skill in the shallow/deep end of the pool. I will place you all in a line with my assistant at one end.

I will **demonstrate** the skill and then call you out one/two at a time to perform the skill.

The **steps** of the skill are:

1. \_\_\_\_\_ if you don't do this,  
I will give you this **signal** \_\_\_\_\_

2. \_\_\_\_\_ if you don't do this,  
I will give you this **signal** \_\_\_\_\_

3. \_\_\_\_\_ if you don't do this,  
I will give you this **signal** \_\_\_\_\_

4. \_\_\_\_\_ if you don't do this,  
I will give you this **signal** \_\_\_\_\_

5. \_\_\_\_\_ if you don't do this,  
I will give you this **signal** \_\_\_\_\_

6. \_\_\_\_\_ if you don't do this,  
I will give you this **signal** \_\_\_\_\_

If you need to repeat the skill, I will give you this **signal** \_\_\_\_\_

When you have successfully completed the skill I will shake your hand and pass you over to my assistant who will look after you.
