The next skill we are going to perform is \_\_\_\_\_

The **value** of learning this skill is \_\_\_\_\_

\_\_\_\_\_

Our **objective** is to be able to: (Read PADI Slate) Dive # \_\_\_\_\_ Performance Req. # \_\_\_\_\_

I will **conduct** this skill on the 6m platform/Surface.

I will place you all in a line with my assistant \_\_\_\_\_ behind you.

I will then come to you one/two at a time to perform the skill.

I will give you this **signal** \_\_\_\_\_ to perform the skill.

Let's **review** the key points of what we did in the pool.

1) \_\_\_\_\_ 2) \_\_\_\_\_ and

3) \_\_\_\_\_

But we are not in the pool, we are in Open Water, so there are a few **considerations** to be aware of:

1) \_\_\_\_\_ 2) \_\_\_\_\_ and

3) \_\_\_\_\_

When you have successfully completed the skill, I will shake your hand and pass you over to my assistant \_\_\_\_\_ who will look after you.
